Dear Ms. Wilkens:

This letter is to explain the amendment to the National Leadership PAC's Pre-General report, filed January 3, 2001.

Our contribution to Curtis Clinesmith for Congress on 10/10/00 for \$2,000 was categorized for the primary election. This should have been designated for Mr. Clinesmith's primary debt.

The negative \$1,000 contribution to Susan Bass Levin for Congress on 10/10/00 was a computer error. This contribution was returned by the Levin campaign without being cashed, but was reported anyway.

Also, the PAC gave \$3000 on 9/14/00 to Mike Honda for Congress. This was designated for the primary election, but should have been more clearly labeled Primary Debt.

Our contributions to Dr. Paul Perry for Congress on 7/12/00 for \$1,000 and 10/27/00 for \$4,000 were also designated for the primary election cycle, but were in fact for the primary debt incurred by that campaign.

Please feel free to contact me if you need further information.

Regards,

  
Holly Giarraputo
